

IATSE LOCAL 835 Audio-Visual Training Program

To enroll in the four-day AV Essentials training, the following online class certificates are required:

AVIXA (“InfoComm”) “Quick Start to the AV Industry Online” is available through <https://www.iatsetrainingtrust.org/avixa/>

You will find more information and a link to registration there.

The [lynda.com](https://www.lynda.com) classes you must complete are:

“[PowerPoint 2016 Essential Training](#)” by Jess Stratton (a 3 hour class) and “[Keynote 6 Essential Training](#)” by David Rivers (a 4 hour class).

[lynda.com](https://www.lynda.com) will be free to IATSE referents starting September 1st.
<https://www.iatsetrainingtrust.org/lynda/>

Save your certificates after you complete each course, you will need them to get into the AV Essentials training.

There will also be a pre-class assessment that will need to be filled out.

If you had a 2017-2018 subscription through the IATSE, you don't need to reapply. Your Lynda.com subscription will be extended through the 2018-2019 subscription year.

New subscribers and those reactivating their account should submit completed applications to lynda@iatsetrainingtrust.org.
